Jim:  
Here is a summary of our Oil & Gas work.  
If you could send us a summary of your O&G work, that'd be great.

### Ongoing Cases:

[REDACTED], multiple sites – open case, still negotiating. [REDACTED], multiple sites– open case, still negotiating. [REDACTED], multiple sites – open case, still negotiating. recent inspection trip in Mid-Sept to several more pads.  
[REDACTED], multiple sites – open case, still negotiating. [REDACTED] open case, EPA has violations it plans to resolve, likely with Administrative Order. No apparent overlap with OhioEPA's NOV.  
[REDACTED] small violations, not sure how we are going to handle yet.  
[REDACTED] inspection performed week of September 25, 2017 and found non-compliance with NSPS OOOO - LDAR.

### Upcoming work:

EPA is dealing with [REDACTED] facilities in other Regions. EPA HQ may approach [REDACTED] attempting to deal with noncompliance on a nationwide basis. If this happens, the [REDACTED] plant, which is 65% owned by [REDACTED] may be folded in. If not, Region 5 plans to resolve these violations.

### Completed Inspections with No Further Action at this time:

Antero Resources - No further investigation or enforcement planned at this time.  
Ascent Resources – No further investigation or enforcement planned at this time.  
Eclipse – No further investigation or enforcement planned at this time.
